Bell & Howell

AUTOLOAD® CARTRIDGE

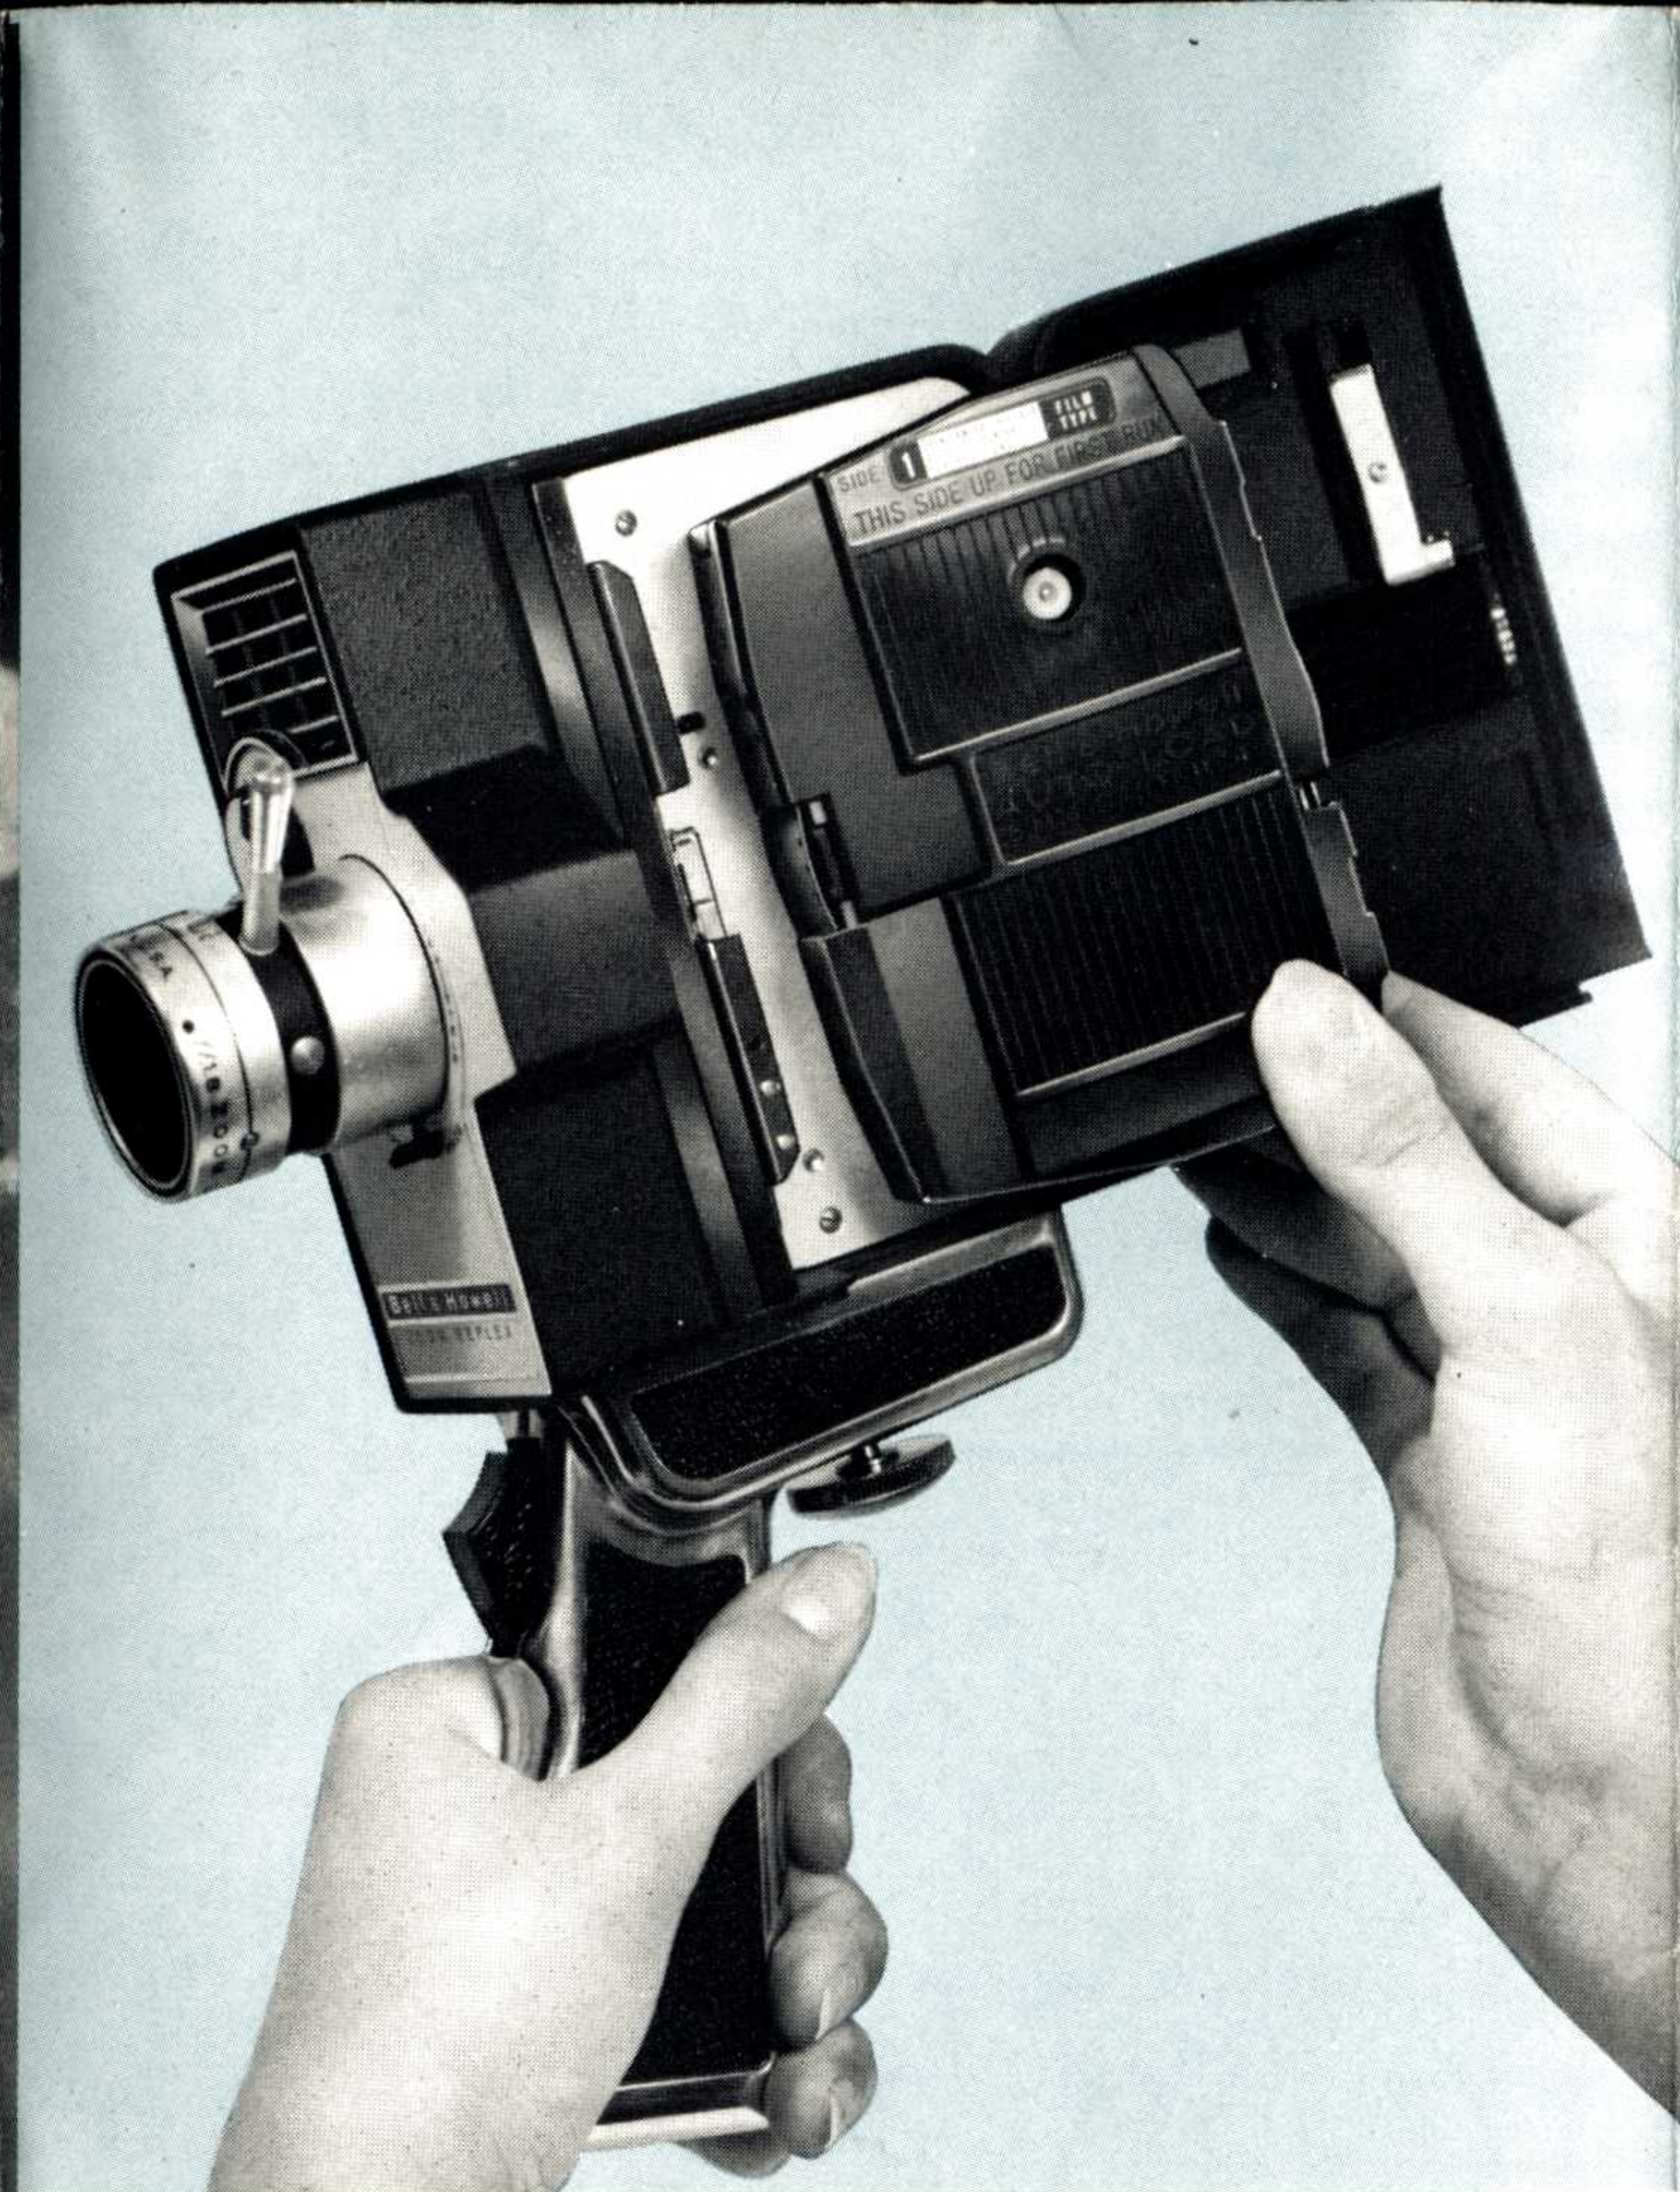

8mm MOVIE CAMERA

Fun and adventure spring to life when you capture childhood action with color movies—crisp, sharp, color movies like the ones you'll take with the new Bell & Howell AUTOLOAD. First you load—camera door open—pop in a cartridge of film—camera door closed—that's all there is to it!

Fast, convenient crank wind gives long film run. Full-time Electric Eye sets the lens automatically. Fast Reflex Viewing, lets you see all the action right as you're shooting. Full range zoom lens adds interest and variety to every scene you take.

For the finest performance, finest results, choose the AUTOLOAD (model 315) you'll be glad you did!

FAST REFLEX VIEWING

*f*ollow your family and friends in movie action, as you view directly through the lens of the new Bell & Howell AUTOLOAD Cartridge camera. From the first time you raise it to your eye and shoot away, you'll record every exciting movie event, just the way you see it, just the way it happens! Fast Reflex Viewing with the AUTOLOAD is bright, sharp, crystal clear—what you see you get, everytime!

FULL-TIME ELECTRIC EYE

*f*orget about complicated exposure settings, with the AUTOLOAD, there are none. From sun-up till sundown you'll shoot perfectly exposed full color movies with your first easy-to-load cartridge of film. Full-time Electric Eye sets the lens automatically—even signals when light is too dim for perfect movies. Fragile—not by a long shot—you could even pound nails with this rugged cartridge camera . . . if you wanted to.

FOOLPROOF LOADING

*f*ind out today how easy it is to load the new AUTOLOAD Cartridge camera. For the first time it's possible to load in mere seconds, and anyone can do it. Flip the cartridge over after you shoot 25 feet and you're ready to go again! Film savings are big because you use regular 8mm roll film. For new fool-proof loading convenience it's hard to top the new Bell & Howell AUTOLOAD Cartridge camera.

FULL RANGE ZOOM

*f*un-filled dramatic zoom effects are yours for the taking with the new AUTOLOAD Cartridge camera. Fast f/1.8, 9 to 29 mm 7 element zoom lens lets you zoom in to catch a happy facial expression—zoom out to include an entire panoramic view. Focusing zoom lens adjusts from 3 ft. to infinity for needle-sharp movies—includes built-in type A and haze filters, plus film speeds ASA 10 to 40.

You're set to shoot in seconds with the NEW 8mm **Bell & Howell AUTOLOAD CARTRIDGE CAMERA**

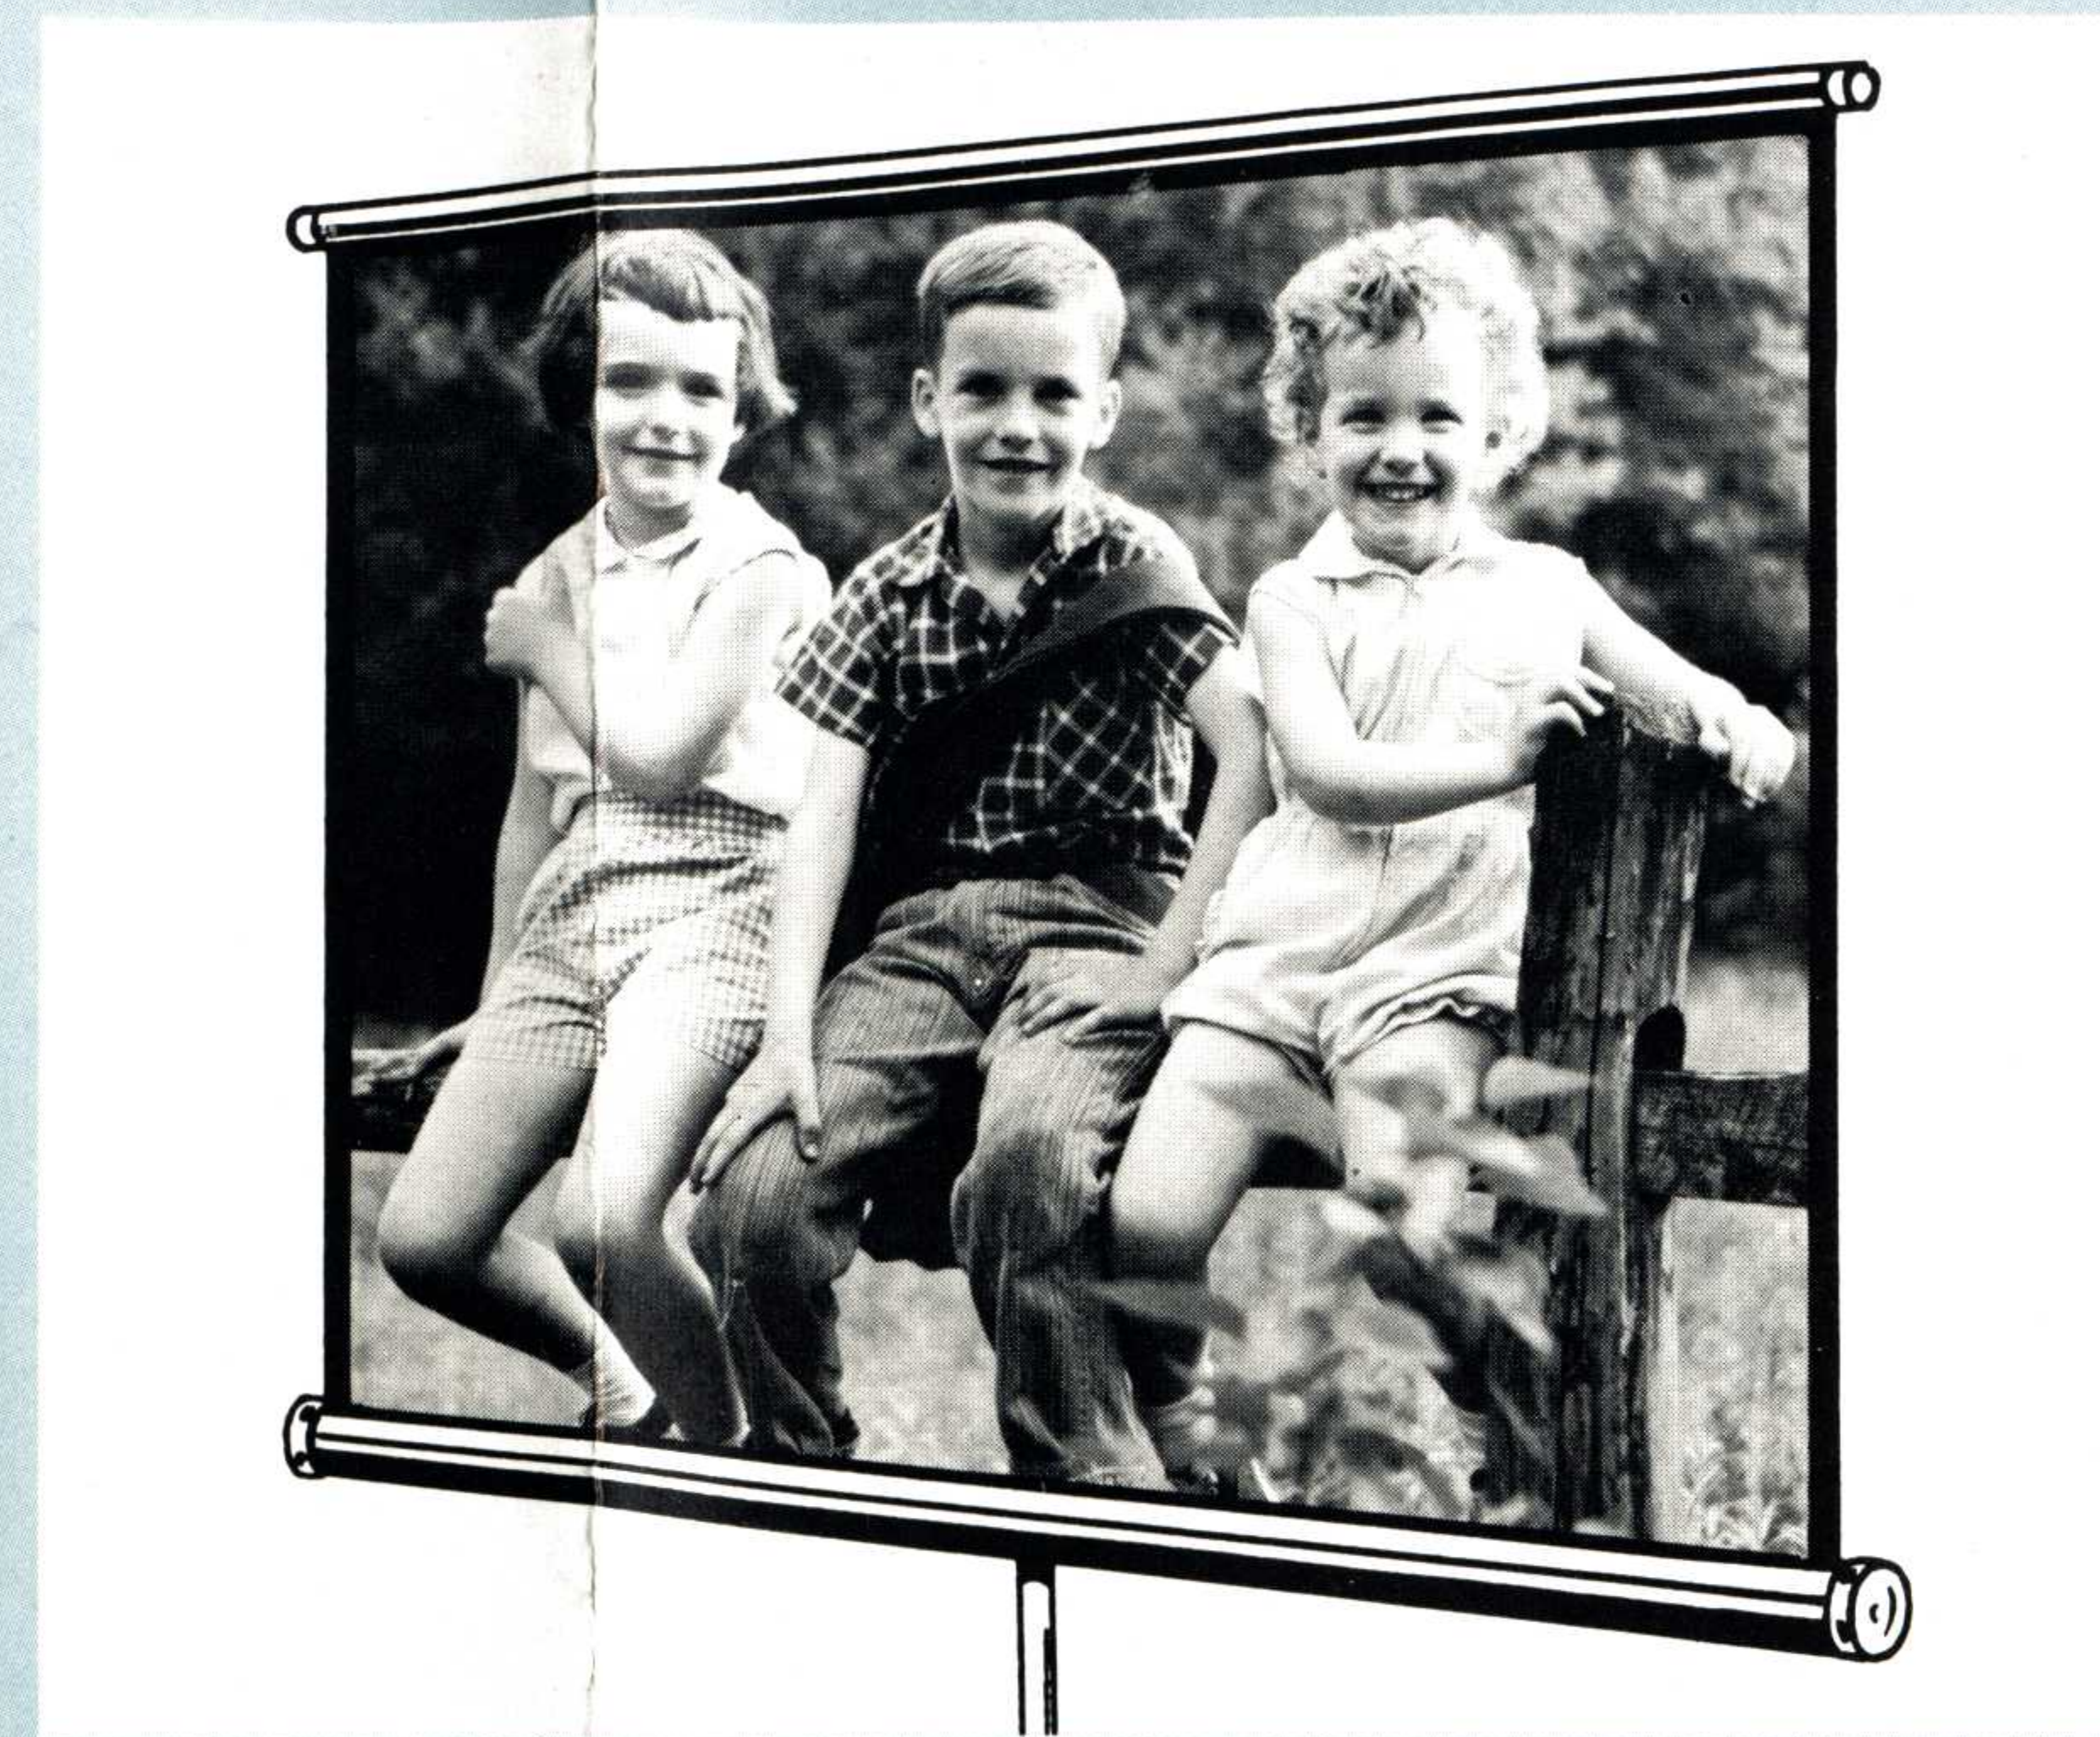

fun-filled RESULTS

Faster than you can lift it to your eye, the AUTOLOAD is ready to capture every picture taking adventure, easier than ever before. Film those once-in-a-lifetime scenes with new operating convenience—all controls are right at the tips of your fingers.

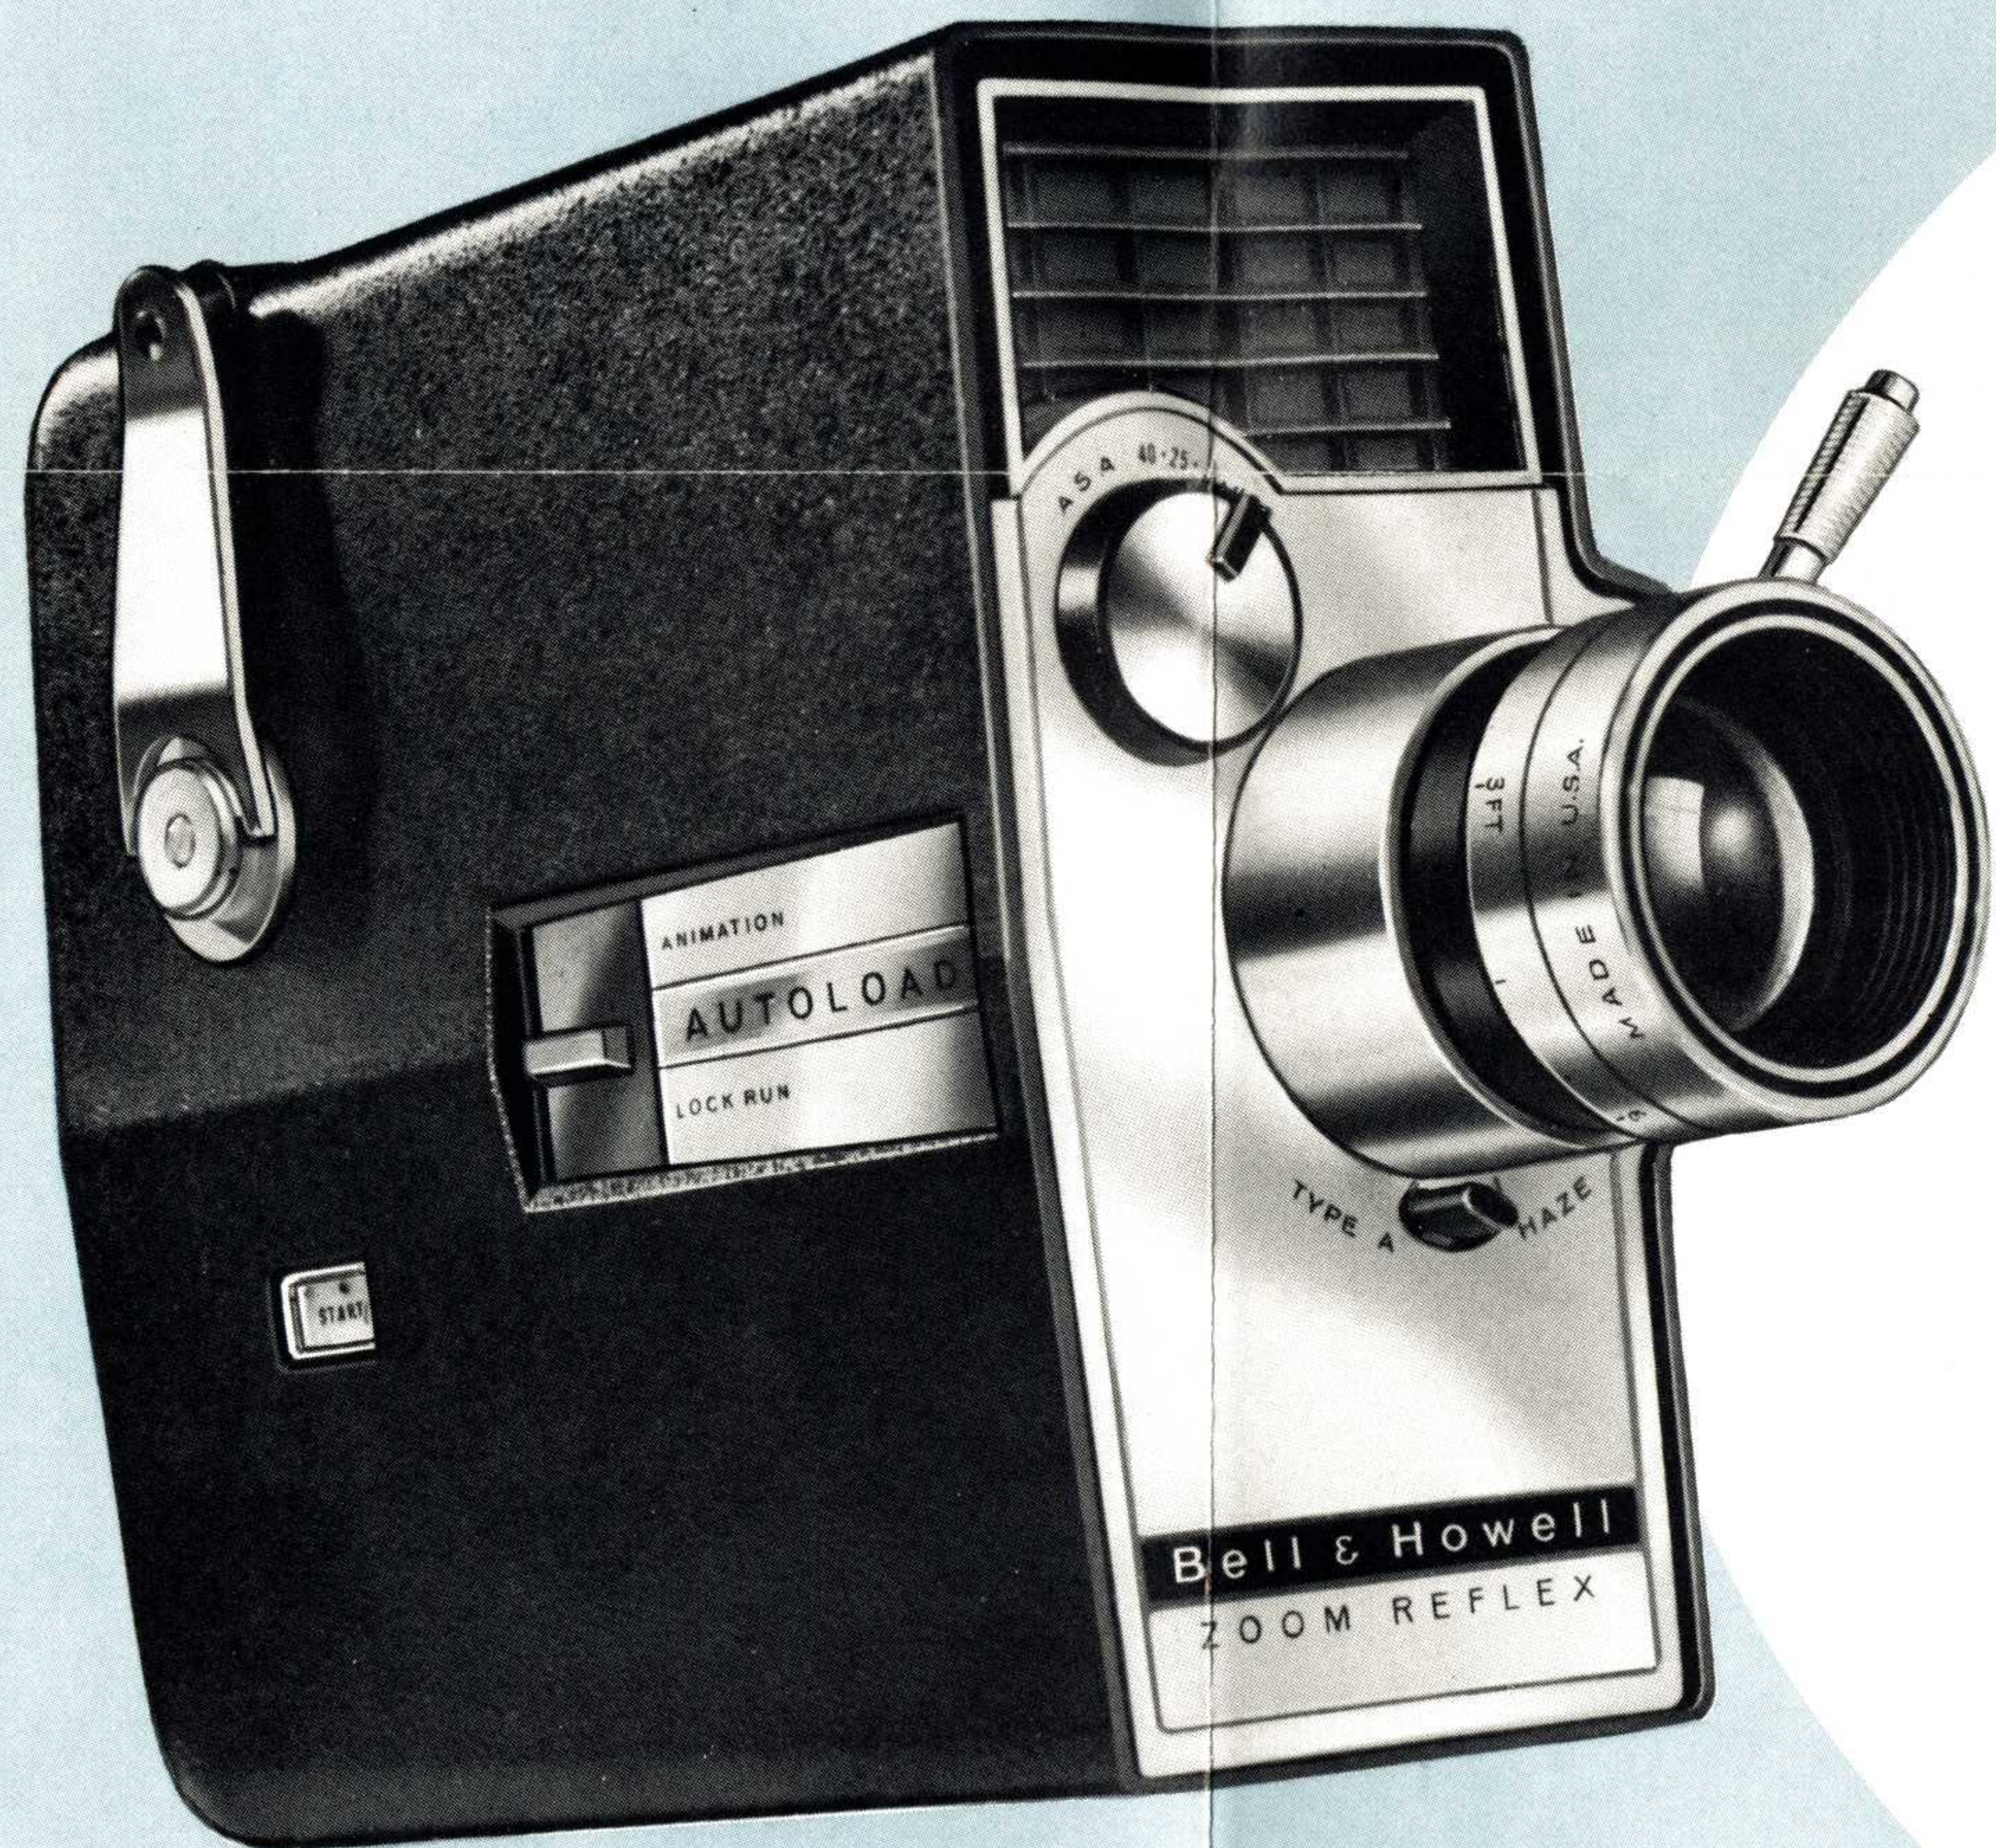

fresh, handsome APPEARANCE

Fine touches of chrome highlight the expensive black finish that make the AUTOLOAD a leader in modern camera design! For a full-fun calendar of exciting events take along the AUTOLOAD for admiring glances wherever you go.

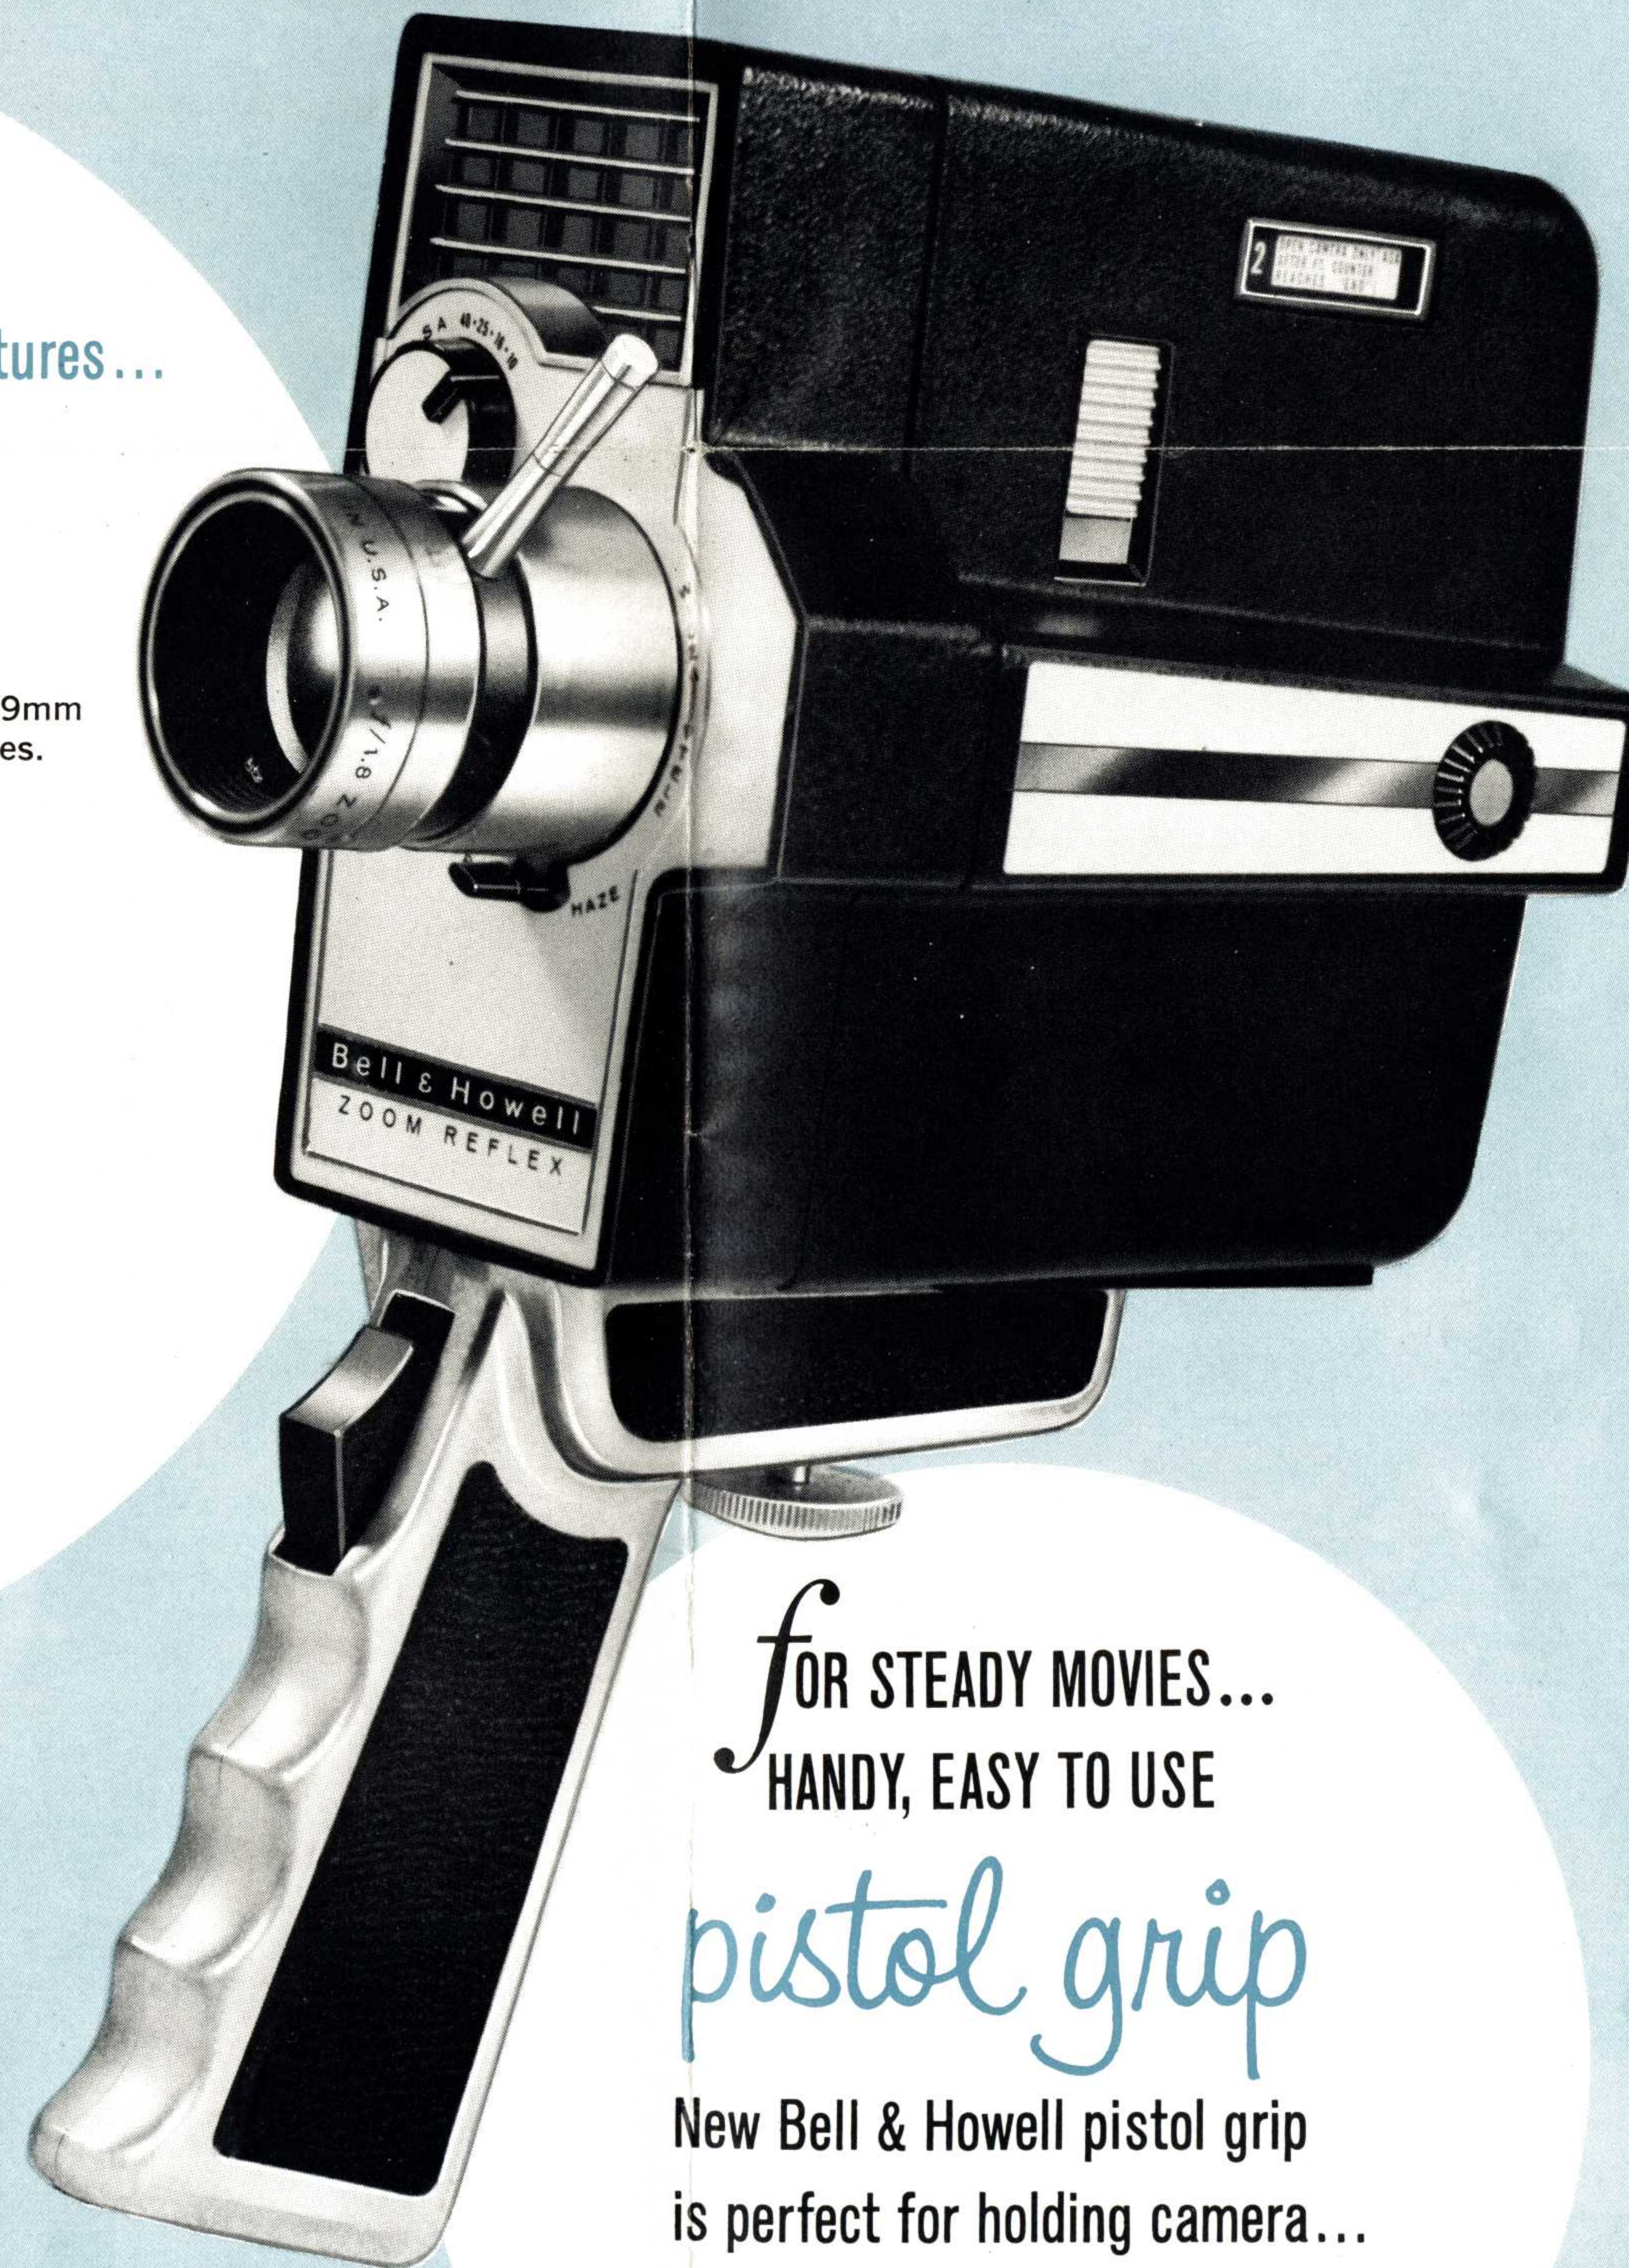

fast, convenient OPERATION

Far away places or movies right at home will be more fun to take with the easy-to-use AUTOLOAD. Favorite scenes of children on the run—weddings—sports in action—important events like these will never fade if you record them in fun-filled AUTOLOAD movies.
